4.2.1: Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

The library at **MOTHER TERESA COLLEGE OF PHARMACY** was set up in 2006 and plays a vital role in meeting the present and anticipated future needs of its scientific community by selecting, acquiring, and disseminating appropriate scientific and technical information through different channels of communication.

The college's central library is housed in a part of the block having a plinth area of nearly 600 Sq.m with a total seating capacity of 100. The Central library is stocked with 1496 Titles and 7809 Volumes and also subscribes to 15 National and 7 International Journals and 05 Magazines. The active sections of the central library are computerized with 60 book issues and 50 active readers in the library per day.

The Central Library collectively supports the teaching, research and extension programmes of the Institute. All students and faculty members of the Institute are entitled to make use of the library facilities by taking membership. The library, besides having a huge collection of books on Pharmacy, Science & Humanities, offers library services through its various divisions.

MOTHER TERESA COLLEGE OF PHARMACY Software Package which is an Integrated Library Management System (ILMS) with a Barcode Scanner that supports all in house operations of the library. The Central Library can be accessed through the online Public Access Catalogue (OPAC) within the campus premises.

Competitive Examinations

The novel feature of MTCP Library is the establishment of a Competitive Examinations Cell with the objective of providing reading material for the student community preparing for various competitive examinations. The cell provides books and journals relating to Civil Services, Public Service Commission, TOEFL, GRE, GPAT, NIPER and other competitive examinations.
