Description	<p>Mother Teresa College Of Pharmacy conducted a ICT Skill development program on “ICT ON USES AND APPLICATION OF ANIMAL STIMULATOR” on 24.12.2020 at 11 AM in Seminar hall. In this occasion students and teaching staff actively participated in this program.</p> <p>In this our principal Dr V Kiran Kumar Garu delivered a few words regarding the importance of ICT ON USES AND APPLICATION OF ANIMAL STIMULATOR– “it is clear that the objective of ICT is to establish smart schools and to increase the capacity of teachers. Advantages of using ICT in education: It is of great use in achieving various objectives of the teaching-learning process.</p> <p>ICT can assist a traditional Indian farmer in collecting pertinent knowledge about livestock processing and management technology, animal husbandry systems, animal health care and treatment, animal insurance, consumer support, and livestock finance and management.</p> <p>Animal technology is a specialist profession responsible for the care and welfare of laboratory animals. It is an essential and integral part of our science sector. Animal Technology helps scientific research be carried out, new treatments for diseases to be developed, and new methods of diagnosis be identified.”</p> <p>In this programme 145 students and teaching staff participated and made the program success.</p>
